## KIDS SERVING KIDS ADDING CHAPTERS

Two new chapters of Kids Serving Kids have been created to provide "recycled" tennis racquets for underserved youth that otherwise can not play tennis.

One chapter is in West Palm beach and was

founded by Curtis Heidema. The other is in Orange County, Calif., founded by Jayson Amos, is was entering high school and chose Kids Serving Kids as his Community Service Program.

Kids Serving Kids is

always looking for energetic tennis enthusiasts to start their own Chapter. For more information, or to find locations to donate racquets, please visit the KSK website, [www.KidsServingKids.com](http://www.KidsServingKids.com).
